STAT

I am very sorry that I was out of town when you returned from your European trip and that I did not have a chance to see you personally. However, we obtained from the Secretary of Defense your full report on your trip to Europe, and we have found it very interesting. I do want to thank you for your cooperation and your kindness in making this report available to us and to ask you, if you leave the country on similar trips in the future, to come and see us before you depart.

Again thank you for your kindness,
believe me,

Sincerely yours,
